

## OUR HEROES

The work we do for families and youth in Wyoming through HFWA is simply amazing; it changes people's lives. We want to thank you for your work, for your passion, for your dedication.

**Tell us who goes above and beyond in the Magellan HFWA network; who personifies our work.**

### Here's how it works:

- 1 Think of a person who is amazing; a HFWA HERO.
- 2 Write a quick 200-300 words to explain why the person is your HERO!
- 3 Find or take a picture of your HERO.
- 4 Email the text and picture to [EWaszkievicz@MagellanHealth.com](mailto:EWaszkievicz@MagellanHealth.com).

The nomination will be in the next newsletter and your HERO will be eligible to be recognized at our inaugural HEROES Banquet in October!
